CEDAR RAPIDS, IOWA:

A flash from the Marion Bulletin via Truman Ramsell whereas Oscar Engstrom was unable to continue as President of the club and Vice President Godfrey Gesmacher filled the vacancy. Albert Hanson assumed the Vice Presidency. I also read in the Coin Collector where they celebrated their 25th Anniversary January 16th.

THIS AND THAT

I might mention that I think our Secretary would appreciate you sending me your area club news or any news to be printed in the bulletin. She has quite a load to carry and it makes duplication as she has to re-mail the material to me.

Along with the above, I might also add any complaints or problems should be handled through my office so to speak. Occasionally we have them, and again there is a re-mail program. Let's try to keep her work to a minimum.

Our association has lost one of its loyal and outstanding members, Mr. Golby Uhlir. Golby has left the state for a wonderful opportunity in Indiana.

As many of you know, he was our legal counsel, being an attorney. Anyone knowing of any of our members who is an attorney and would like to volunteer to being our legal counsel please contact me. This position warrants the position of a Director as Golby was a Director.

Your Editor, Kenny Benedict

MEDALS

FLASH — They are here at last. THEY ARE A WORK OF ART. Don't pass them up. The price again while the supply lasts, Bronze - \$2.00 each plus sales tax; Silver - \$5.00 each plus the sales tax. This is the initial order and should we have to re-order we may have to raise the price. I might suggest if your club officials are willing, to order them through your club or any I.N.A. Director in your area. We are trying to alleviate the work load on our Secretary on individual orders if possible.

PRESIDENT'S DESK:

T. J. Barnes suggested in his letter about listing the club meeting nites and dates. We did this quite extensively last year in the bulletin and should we find room in this year's coming issues we will repeat. I feel real happy about our new medals and in my book, every member should purchase one. I sold them like hot cakes at our club meeting recently. It is rewarding, considering the troubles and problems encountered to realize their completion and delivery. I had planned on listing some recommendations in this issue, but can reserve them possibly for later issues or in meetings to come. I might add with reserve that I have contacted the A.N.A. on procuring film slide reproductions for our own I.N.A. use. This of course involves the purchase of these films or slides and of course we have to realize the condition of our treasury as per expenditure. You must understand we had to outlay a considerable sum for the medal purchase and at a time of year when it is at its lowest level. It might be possible that we may be able to initiate this program on a limited basis before the spring season is over. Again reminding you, keep pushing our association wherever you go. We need the members as well as the money to continue to expand and add new ideas and programs. My sympathies to Robert Klein for his December 4th robbery loss at their coin and gun show. Whenever we have a major robbery of one of our members, we feel it an obligation to give him listing in our bulletin of his loss. He will appreciate any information to the whereabouts of his material or robbers.
